Optimex Referral & Promotional Program Terms & Conditions

Last Updated: 3 June 2025

1. Introduction

1.1 These Referral Program Terms & Conditions (“Terms”) govern your participation in the Optimex’s Referral and other Promotional Programs (“Promotional Programs”) as defined in the Optimex Terms of Use.

1.2 By participating, you agree to these Terms, the Optimex Terms of Use (including the section titled “Referral Programs and Promotional Campaigns”), and Disclaimers. If you do not agree, do not participate.

2. Eligibility

2.1 You must connect to Optimex using a valid blockchain wallet that you own and control.

2.2 Participation is void where prohibited by law.

2.3 Both Referrers and Referees must be the rightful owners of their wallets.

2.4 Participation is not permitted if you are a “Disqualified Person/Entity” as defined in the Optimex Terms of Use, which includes but is not limited to persons accessing the Services from “Excluded Jurisdictions” (such as countries designated as high risk by the Financial Action Task Force, Vietnam, Singapore, and jurisdictions subject to sanctions by the United Nations, European Union, United Kingdom, or OFAC, including Russia, Belarus, and Cuba). For full definitions, please refer to Section 2.1 of the Optimex Terms of Use.

3. Referral Mechanics

3.1 Referrers share unique referral codes or links associated with their wallets.

3.2 Referees must use the referral code/link during wallet connection or qualifying transactions.

3.3 Users may receive or use multiple referral codes; however, only one referrer wallet will be recognized per qualifying transaction or wallet connection.

3.4 Optimex reserves the right to determine which referral code is valid in cases of conflict or misuse.

3.5 Referrals must be genuine and made with the Referee's consent.

3.6 Fraudulent, or maliciously generated referral codes are prohibited and will result in disqualification.

4. Rewards

4.1 Rewards and their amounts are determined by Optimex and may be changed, suspended, or canceled at any time without notice.

4.2 Participation does not guarantee any reward.

4.3 Rewards will be credited only after verification of valid qualifying activity.

4.4 Optimex reserves the right to withhold, cancel, or reclaim rewards in cases of abuse or error.

5. Program Duration and Changes

5.1 The Program is ongoing but may be modified, suspended, or terminated at Optimex's sole discretion at any time without prior notice.

5.2 Changes to these Terms will be effective upon posting on the Optimex website or notification to users.

5.3 Continued participation constitutes acceptance of changes.

6. Anti-Fraud and Abuse

6.1 Any suspected abuse, fraud, or malicious referral code generation will result in disqualification and forfeiture of rewards.

6.2 Optimex reserves the right to investigate and take appropriate action, including withholding rewards and suspending wallet participation.

7. Geo-Blocking and Jurisdiction Restrictions

7.1 Optimex enforces geo-blocking and access restrictions consistent with its Terms of Use to prevent access and participation by Disqualified Persons/Entities.

7.2 Wallets connected from Excluded Jurisdictions or identified as Disqualified Persons/Entities will be disqualified from the Program, and any rewards earned may be forfeited.

7.3 Users represent and warrant that they are not located in, nor accessing the platform from, any Excluded Jurisdiction or otherwise disqualified.

8. Communication

8.1 Updates and communications regarding the Program may be provided via website announcements, email, or any other medium chosen by Optimex.

8.2 It is your responsibility to stay informed of Program updates.

9. Taxes

9.1 You are solely responsible for any taxes or fees arising from participation or receipt of rewards.

10. Limitation of Liability

10.1 The Program is provided “as is” without warranty.

10.2 Optimex is not liable for any loss or damage arising from participation or inability to participate.

11. Governing Law and Dispute Resolution

11.1 These Terms are governed by the laws specified in the Optimex Terms of Use.

11.2 Any disputes will be resolved according to the dispute resolution provisions in the Optimex Terms of Use.
